

Application form and information about how to apply

# The Scottish WELFARE FUND

## Filling in this Form

You may be eligible for help from the Scottish Welfare Fund if:

- You are 16 or older
- You are on a low income

Don't be put off if you think the form looks too long – you won't normally have to answer every question.

If you need help with this form and you don't have a support worker, please get in touch with your local council or local advice service (e.g. Citizens Advice Bureau).

The more detail you are able to provide now, the less time it will take for us to consider your application.

## What is the Scottish Welfare Fund?

The Scottish Welfare Fund is a safety net for vulnerable people on low incomes. There are two types of grants available:

**Crisis Grants** help people facing a disaster or emergency.

- A disaster might mean a fire or a flood
- An emergency, for example running out of food, might be caused by a sudden loss of income

Crisis Grants are normally paid to meet living expenses for essentials like food or heating.

**Community Care Grants** help vulnerable people set up home, or continue to live independently, within their community.

- Helping families under exceptional pressure
- Helping people following a period of care or homelessness
- Helping people continue to live independently where there's a risk of care or homelessness
- Helping people meet additional costs associated with looking after someone on temporary release from prison or a young offenders' institution

Community Care Grants are normally provided in the form of goods, for example, cookers or beds.

## Eligibility

You may be eligible to receive a grant if you are aged 16 or over and on a low income.

You may not be eligible if you have access to other money which you can use for the things you need, or if you have already applied within the past 28 days and your personal circumstances haven't changed.

If you are applying for a Crisis Grant, you may not be eligible if you have already received three Crisis Grants within the last 12 months.

## Ways to Apply

You can telephone your local council to make an application over the phone, or to find out about other ways to apply.

You can also apply in writing by completing this form and sending it to your council.

## How will I find out about the outcome of my application?

Your council will always contact you in writing to inform you of the outcome of your application. In some circumstances, however, they may also phone or text you.

A decision will be made on your application:

- No later than the end of the next working day for a Crisis Grant
- Within 15 working days for a Community Care Grant

## What if I don't agree with the decision?

If you do not agree with the decision made on your application, you can ask for this to be reviewed by a different decision maker. To do this, you must write to your council within 20 working days requesting this. If you are unable to do this in writing, you should contact your council to discuss alternatives.

If you are still unhappy you can ask the Scottish Public Services Ombudsman (SPSO) for an independent review (the SPSO is not part of the council).
