Communicating with home

We use a wide variety of methods to communicate with parents; we ask parents to sign up to Class Dojo, our school Facebook page and website, monthly newsletters, text messages, parents' evenings, pupil reports, open evenings, drop-ins, 'Emails and the Xpressions App. For many of these we require up-to-date contact details from parents. Information can be shared with non-resident parents following an initial request. Education Services have produced a Communication Framework that can be found at <http://www.dumgal.gov.uk/article/17608/Parental-Involvement>

Welcome from the Head Teacher

Dear Parent / Carer

Georgetown School extends a warm welcome at all times to everyone – pupils, parents, friends and staff alike.

We recognise the importance of working in partnership and have planned this booklet to provide you with as much information as possible about our school but if you would like more details, please do not hesitate to contact us.

We aim to provide a good start in life for all and are committed to giving all our children an equal chance to make the most of their potential. We aim to encourage all pupils to achieve of their best in a friendly, relaxed, supportive and inclusive atmosphere.

The part you play in this process is a crucial one and we look forward to working with you to ensure that your child's school days are happy, fulfilling and educationally rewarding.

Mr C. Latimer
Head Teacher

For more information about how we support parents and work with our schools please see our [Authority Handbook](#)

School Aims, Values and Ethos

The task of education is to satisfy the needs of the individual and society and to promote the development of knowledge and understanding, practical skills and attitudes and values.

Our vision statement at Georgetown is

“Everyone Learning Together”

At Georgetown Primary we aim to:-

- Provide the best quality of education for life, with the needs of our pupils at the centre of all we do.
- Ensure Georgetown Primary a place where all are active, challenged and engaged in their learning.
- Equip pupils with the skills to become successful, confident and responsible contributors to the world they live in.
- Encourage all to achieve to their potential in a friendly, relaxed, supportive and inclusive atmosphere.
- Work in partnership with parents and the wider community to provide quality experiences and outcomes for children.

We aim to instil the following values across the education we provide: Caring, Equality, Honesty, Learning, Respect and Responsibility.

Pupils, families and members of staff are encouraged to play a full part in helping the school to achieve these aims and to motivate others to do likewise.

Contact Us

The school welcomes suggestions and enquiries from parents and carers.

If you need to find out something

We can be contacted by e-mail, telephone, group call text messages or face to face. Where it is not possible to resolve enquiries straight away, we will make arrangements to follow up as necessary with the most appropriate member of staff.

Comments, Complaints and Compliments

A comment might be some brief feedback about how we have handled a situation or delivered a service. It is best to pass a comment straight to the school so that we can take any necessary action.

If you are not happy with the response you receive or a decision that has been made, you can Ask us to Look Again. You can do this by contacting ParentalInvolvement@dumgal.gov.uk. At this point an Officer will contact you and discuss the issue and direct the enquirer as appropriate.

Remember you can also access Dumfries & Galloway Have Your Say at <http://www.dumgal.gov.uk/article/17349/Have-your-say>

How the School Works

Class Organisation

For organisational purposes, schools are structured into classes. Each year it is the responsibility of the Headteacher to organise the class structure.

We follow Scottish Government guidelines and the organisation of classes is dependent on numbers within each year group. This is reviewed yearly and the structure planned for the following school year. Parents are consulted before changes occur.

Class structures may consist of composite or single stage. Please see separate guidance.

For more information please see the [Education Authority Handbook](#)

Positive Behaviour and Celebrating Success

As part of our school ethos we aim to encourage all to achieve to their potential in a friendly, relaxed, supportive and inclusive atmosphere. Staff create an environment where children and young people feel listened to and are secure in their ability to discuss personal and sensitive aspects of their lives.

Developing these relationships and positive behaviour in the classroom is essential for creating the right environment for effective learning and teaching. Where children and young people feel included, respected, safe and secure and when their achievements and contributions are valued and celebrated, they are more likely to develop self-confidence, resilience and positive views about themselves.

Within Curriculum for Excellence all staff are expected to be proactive in promoting positive relationships and behaviour. All staff share a responsibility for identifying the care and wellbeing needs of children:

- Establishing open, positive, supporting relationships across the community, where children will feel that they are
- Listened to and able to discuss sensitive aspects of their lives.
- Promoting a climate in which children feel safe and secure.
- Being sensitive and responsive to the wellbeing of each child.

Promoting positive behaviour is fundamental to education and is the responsibility of everyone directly or indirectly involved in the education of young people. All in Georgetown Primary School are committed to the education of the whole child and the development of learning environments where every young person can achieve their potential.

For more information please see page 13 of the [Education Authority Handbook](#)

School uniform

All Dumfries and Galloway schools have a dress code which encourages pupils to dress in a way appropriate to attendance at school. For more information on School Uniform, Dress Code, and School Clothing Grants visit www.dumgal.gov.uk

Georgetown Primary School uniform consists of:-

- White polo shirt
- Red school Sweatshirt/zoodie
- Red Cardigan
- Black/Grey skirt
- Black/Grey trousers

School Fleece Jackets (coloured Red) are also available.

P7 pupils wear a black school sweatshirt.

Sweatshirts may be ordered through a link on the school website, at any time of the year.

For P.E lessons the requirements are:

- Sports shorts
- T-shirt or polo shirt in your child's House Colour
- Plimsolls or trainers

Lost property boxes are kept in both departments of the school. Please feel free to call in to school to check these for lost items

Financial Support for Children and Families

Grants and Bursaries

Scottish Child Payment

The Scottish Child Payment is a payment for families on certain benefits or tax credits. Eligible families will get £40 every four weeks for each child under six.

Further information and an application can be made at: mygov.scot website or call us on 0800 182 2222.

Best Start Grant

Best Start Grant and Best Start Foods are payments that help towards the costs of being pregnant or looking after a child. Best Start Grant is made up of 3 one-off payments:

- Pregnancy and Baby Payment
- Early Learning Payment
- School Age Payment

Best Start Foods is a prepaid card that can be used in shops or online to buy healthy foods like milk or fruit. The payments you can get now will depend on:

- how far along in your pregnancy you are
- how old your child is

Further information and an application can be made at: mygov.scot website

Clothing Grant

The award of clothing grants is to assist with the cost of school clothing for families who are on a qualifying benefit or on low income. The current award is presently £134 per primary school child and £150 per secondary school child.

Further information and an application can be made at: Free school meals and associated payments - Dumfries and Galloway Council (dumgal.gov.uk)

Education and Learning Directorate are committed to supporting families through their Anti-Poverty Strategy – details of which can be found at www.dumgal.gov.uk/poverty Schools should also make parents aware of the School Uniform Bank Project. Donation and Collection information can be found at the above link.

School Meals

The Naturally D&G local provenance for a sustainable future ensures that meals are freshly prepared with seasonal ingredients and are free from undesirable additives.

Detailed information on school meals is available at www.dumgal.gov.uk/schoolmenus

Special Dietary Requirements

Facilities Services – Catering provide special dietary requirements for food allergy and intolerances; medically prescribed diets; or diets for religious or cultural reasons specific meals for children of different ethnic origin. Simply ask the school for a registration form to allow us to inform the catering team who will discuss your child's requirements in full.

To access the Legislation & Nutrition Officer contact the Solutions Centre on 01387 271 112 or solutionscentre@dumgal.gov.uk.

Free School Meals

Free school meals are provided for all pupils in Primary 1, 2, 3, 4 and 5. Confirmation of when this will be rolled out to Primary 6 and Primary 7 from the Scottish Government has yet to be confirmed.

In Nursery eligible children can receive up to 1140 hours a year of Early Learning and Childcare. As part of this funded offer the child will be entitled to one free meal and a snack each day.

All primary schools are now operating a pre-order system for school lunches for paid and free school meals. Parent / Carer will receive a letter informing them of how to create and set up an account for their child.

Free school meals can lead to a large saving in each year, nursery and primary school pupils can save £360 and secondary school pupils can save £370. You'll also be helping your child's school if you qualify for free school meals. Some Scottish Government funding provided directly to schools is linked to the number of pupils who are entitled to free school meals.

For more information visit

www.dumgal.gov.uk/schoolmeals

Visit the school meal website for further information

www.dgschoolmeals.co.uk

School Transport

Free school transport is available for some school children attending primary or secondary school if they live within the school catchment area and if they meet certain criteria. For more information and guidance visit <http://www.dumgal.gov.uk/article/15245/Free-school-transport>

Free Travel for 5 - 22 year olds

From 31 January 2022 all children and young people aged 5-22 will be entitled to free bus travel in Scotland. You can apply for free travel online from today at www.getyournec.scot (This cannot be done through your school)

Attendance

It is your responsibility as parents to ensure that your child/children attend school regularly. For the safety of all children it is important for you to telephone the school office prior to/at the beginning of the absence. Absences are recorded in class registers and frequent or irregular absences not supported by a reasonable excuse, will be notified to parents and the matter may be referred to the Opportunities for All Service. If possible please, try to make dental/medical appointments outwith school hours. However, if this is not possible please inform us in writing or by telephone of the appointment and arrange to collect your child from class.

For more information on Attendance, Absences, Lateness and responsibilities of parents please visit www.dumgal.gov.uk

Absence from School

Pupils who need to leave school during the school day ie doctor /dentist appointments, must be collected by a named contact confirmed with the school office. They must also report to the school office on their return to school.

Curriculum for Excellence

Curriculum for Excellence (CfE), now known as 'Scotland's Curriculum,' is bringing learning to life in the way education is delivered for all 3-18 year olds in nursery, primary, secondary, at college and via workplace or community learning. It aims to respond and adapt flexibly to meet the needs of an ever changing and evolving world and Scotland's place within it. At its heart lies a constant commitment and drive towards excellence and equity, to raise standards, improve knowledge, develop skills for all learners and close the gap between the lowest and highest achievers by ensuring everyone has an equal opportunity to be successful no matter what their background or circumstances. Ultimately it aims to nurture children and young people as successful learners, confident individuals, effective contributors and responsible citizens.

Broad General Education

Children and young people work their way through Experiences and Outcomes in each of the five Curriculum Levels (Early, First, Second, Third, Fourth) and in each of the eight Curricular Areas. The five Curricular Levels span pre-school to the end of S3. This is the Broad General Education. Pupils progress at their own pace, working through the Experiences and Outcomes of the most appropriate level for them. Pupils will be supported in collecting evidence of their achievements, with a profile of these being produced in P7 and S3.

Our aspiration for every young person is that they should be successful learners, confident individuals, responsible citizens and effective contributors to society and at work. Our curriculum aims to ensure that all children develop the knowledge, skills and attributes they will need to flourish in life, learning and work as effective citizens.

Lessons will be engaging, inspiring and relevant to everyday life and teachers will make connections between subjects, helping children make sense of the world. Learners will work at a pace that suits with enough challenge and support to stretch them.

We endorse an active, engaged learning approach. Active Learning is learning which engages and challenges children's thinking, using real and imaginary situations.

Our aim is also to enable pupils to learn how to learn and how to use their learning. Our focus is on knowledge and skills for Learning, Life and Work – including vital skills: literacy, numeracy and many others which underpin all learning and are critical in life. We believe this will help pupils adapt in an uncertain future with the ability to think for themselves, make sound judgements, challenge, enquire and find solutions.

We recognise the contribution of learning experiences available through a wider curriculum which is not classroom based and that the ethos and life of the school are complimented by contributions of learning in other aspects of school and within the wider community. We celebrate pupil successes in a wide variety of methods and platforms, recognising that children are both Being Well and Doing Well.

Parental Involvement and Engagement

Parent/Carers and the Parent Council

Every parent who has a child at our school is a member of the Parent Forum. The parent council is a group of parents who have chosen to represent the parent forum.

As a member of the Parent Forum, each parent can expect to:

- Receive information about the school and its activities
- Hear about what partnership with parents means in our school
- Be invited to be involved in ways and times that suit you
- Identify issues you want the parent council to work on with the school
- Be asked your opinion by the parent council on issues relating to the school and education it provides
- Work in partnership with staff
- Enjoy taking part in school life in whatever way possible

More information is available at <http://www.dumgal.gov.uk/article/17608/Parental-Involvement>

More information and support for Parents/ Parent Councils is available at <https://connect.scot/>

Parentclub Scotland <https://www.parentclub.scot/> provides support information and guidance to expectant parents, baby, toddler, Child, Pre-teen and Parents and Carers.

The National Parent Forum of Scotland's (NPFS) Curriculum for Excellence in a Nutshell series. Free Downloads for parents/carers: <https://www.npfs.org.uk/downloads/category/in-a-nutshell-series/nationals-in-a-nutshell-series/>

Parentzone Scotland

<https://education.gov.scot/parentzone> information about the Curriculum and how you can be involved in your child's learning.

How is my child doing?

There will be several opportunities for you to discuss your child's progress. This may be through informal discussion with the teacher or at Parents' Nights/ Learning Conversations, formal reports or for some it may be through more formal, focussed meetings with other agencies.

Helping Your Child and Family Learning

Homework is an important link between school and home. It keeps parents/guardians informed of their child's' day to day progress, makes them aware of their strengths and weaknesses. It allows parents to play their part in praising their child's efforts, to encourage them to develop specific interests, develops good working habits and encourages self-discipline.

As a general rule, however, homework may take the following forms:

1. Consolidation / practice of skills already taught e.g. reading, tables, spelling, and phonics
2. Research activities, which may well be related to a topic being investigated in class e.g. pupils may be asked to consult newspapers or reference books in the local library
3. At the request of the pupil. On occasion a child may wish to follow something up or pursue a particular interest.

If you are unsure about how to help your child, please do not hesitate to contact the class teacher or a member of the management team.

Whatever form the homework takes it is vital that parents / guardians take an interest in what is being undertaken and ensure that tasks are completed.

Support for All

Support for Learners

Dumfries and Galloway Council is committed to the well-being and educational development of all learners. The process of inclusion requires all involved in the business of learning and teaching to demonstrate commitment, innovation and flexibility to

ensure that all children and young people have access to quality learning opportunities and experiences.

More information is available at <https://www.dumgal.gov.uk/article/16163/Support-for-Learners> and on page 18 of our [Education Authority Handbook](#)

Getting It Right For Every Child (GIRFEC)

You are the expert on your child and what you think matters. Getting it right for every child (GIRFEC) means that the School will always seek to involve you, to listen to your opinions and take them seriously.

More information is available at www.dumgal.gov.uk/girfec and on page 20 of our [Education Authority Handbook](#)

Child Protection

All children have the right to be protected from harm, abuse and neglect. The vision for all children and young people in Dumfries and Galloway is that they should be: safe, healthy, achieving, nurtured, active, respected and responsible and included. Schools and front-line education and child care services will play an important role in ensuring all children and young people are safe and well. Further information can be found at <http://www.dumgal.gov.uk/article/16640/Support-for-children-and-families>

Parents, carers and pupils have a key role in keeping the school community safe. We would therefore urge parents to share any information which would keep everyone safe, and to support and encourage their child(ren) to do the same.

Enrolment in Schools - School Places

Information on enrolment in school and catchment areas is available at <http://www.dumgal.gov.uk/article/15241/School-places> Information regarding catchment areas can be found on the Council's website by accessing "Find My Nearest".

School Improvements

Each year the school will publish a School Improvement Plan which outlines the key priorities for the school during the year ahead, following engagement with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward. Both the report and the plan are published on the school's web-site and are also available in hard copy, on request. A copy can also be found by searching for your school at www.dumgal.gov.uk/schools

Each year, the school publishes a Standards & Quality Report providing a comprehensive summary of the school's work achievements over the last year. This report provides an overview of the school's progress in addressing its key priorities and gives information about how well pupils are learning and achieving; how well the school is supporting children/young people to develop and learn. We also publish a School Improvement Plan which outlines the key priorities during the year

ahead, following consultation with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward. Both are available on the school's web-site.

Our priorities for the 2022/23 session will be

1. To develop a clear learning and teaching pedagogy across all stages of the school.
2. To develop a well-rounded curriculum, which supports our visions, values and aims for our children in our ever changing world.
3. To develop and support staff understanding in raising attainment in Literacy & Numeracy.

For fuller details in each section, please see the full plan.

Health and Safety

Emergency Procedures (including Safer Together Guidance)

If your child feels ill during the school day and we feel that he/she would be better at home, we will telephone you or your emergency contact. Minor accidents, e.g. cuts, bruises, are dealt with by the school staff. Serious accidents are few, but should one occur your child will be immediately taken either to your doctor or to hospital, if necessary, and you or your emergency contact will be notified. We cannot stress enough the importance of supplying the school with the relevant information we require in such a situation, i.e. your own home and work number and a telephone number of an emergency contact. **Please remember that if your child stays in more than one home setting contact details should take account of this.**

Health Care (inc First Aid)

Many children will require their health care needs to be met at sometime within the nursery/school environment, for most children this will be for short periods of time only, but for some children this may

require more long-term planning and support. If your child has any health care needs, please contact the school to discuss arrangements. Full details of the support available and your role as a parent and the role of your child are contained within Health Care in Schools 3-18 (NHS and Dumfries and Galloway Council) which is available from the school.

For more information see our [Authority Handbook](#)

Severe Weather and School Closure Arrangements

Headteachers are authorised to make an emergency closure when the state of the weather or any other exceptional circumstance make it necessary in the best interests of the pupils. In these circumstances parents will be communicated with in a variety of ways including text messages/ phone calls and emergency contact arrangements. All school closures will be notified on the Council Website.

www.dumgal.gov.uk/article/15240/Emergency-school-closures

Data Protection

Information on how the Council uses personal data is available at www.dumgal.gov.uk/article/15129/Data-protection and www.dumgal.gov.uk/privacy

ICT in Schools

For more information on ICT in school please see page 14 of the [Education Authority Handbook](#)

Use of the Internet, Social Networking Sites

As part of the process of learning we allow our children supervised access to the Internet and e-mail. The authority runs its own filter system to ensure that young people are not at risk from exposure to inappropriate material. This filtering system is regularly being upgraded. We have a policy for use of the Internet and a contract for responsible use, which we ask parents and young people to sign up to.

For more information visit our [Education Authority Handbook](#) and [Safe Digital Learning and Social Media Leaflet](#)
