Communicating with home

Twynholm Primary school promotes parental involvement and engagement in their children's education through:

- Curriculum overviews detailing the work that will be covered are sent home at the start of every term.
- Twice yearly learning conversations between the parent, child and class teacher.
- Twice yearly updates on progress and next steps.
- Regular news updates / Facebook / Website/ Twitter (X).

Parents are welcome at any time to contact the school with any suggestions /concerns /questions by e-mail, telephone, group call text messages or by face to face visits. Where it is not possible to resolve enquiries straight away, we will make arrangements to follow up as necessary with the most appropriate member of staff.

Welcome from the Head Teacher

Dear Parent / Carer

Welcome to our school from all at Twynholm & Borgue.

The purpose of this handbook is to provide you with all the key information you will need as your child starts at the school. If you have any queries about the content of the handbook, or any questions that the handbook does not answer, please do not hesitate to get in touch.

In line with the Education Bill (2015) and the National Improvement Framework the schools aim is to ensure that all children are able to reach their full potential through:

- Raising attainment particularly in literacy and numeracy and weakening the link between attainment and socio-economic disadvantage.
- Ensuring early intervention.
- Supporting children to be healthy and active.
- Using data gathered from school, the local authority, children, parents and national organisations to find out what makes a positive difference to children's learning and health and wellbeing.

Yours sincerely

John Riley
Head Teacher

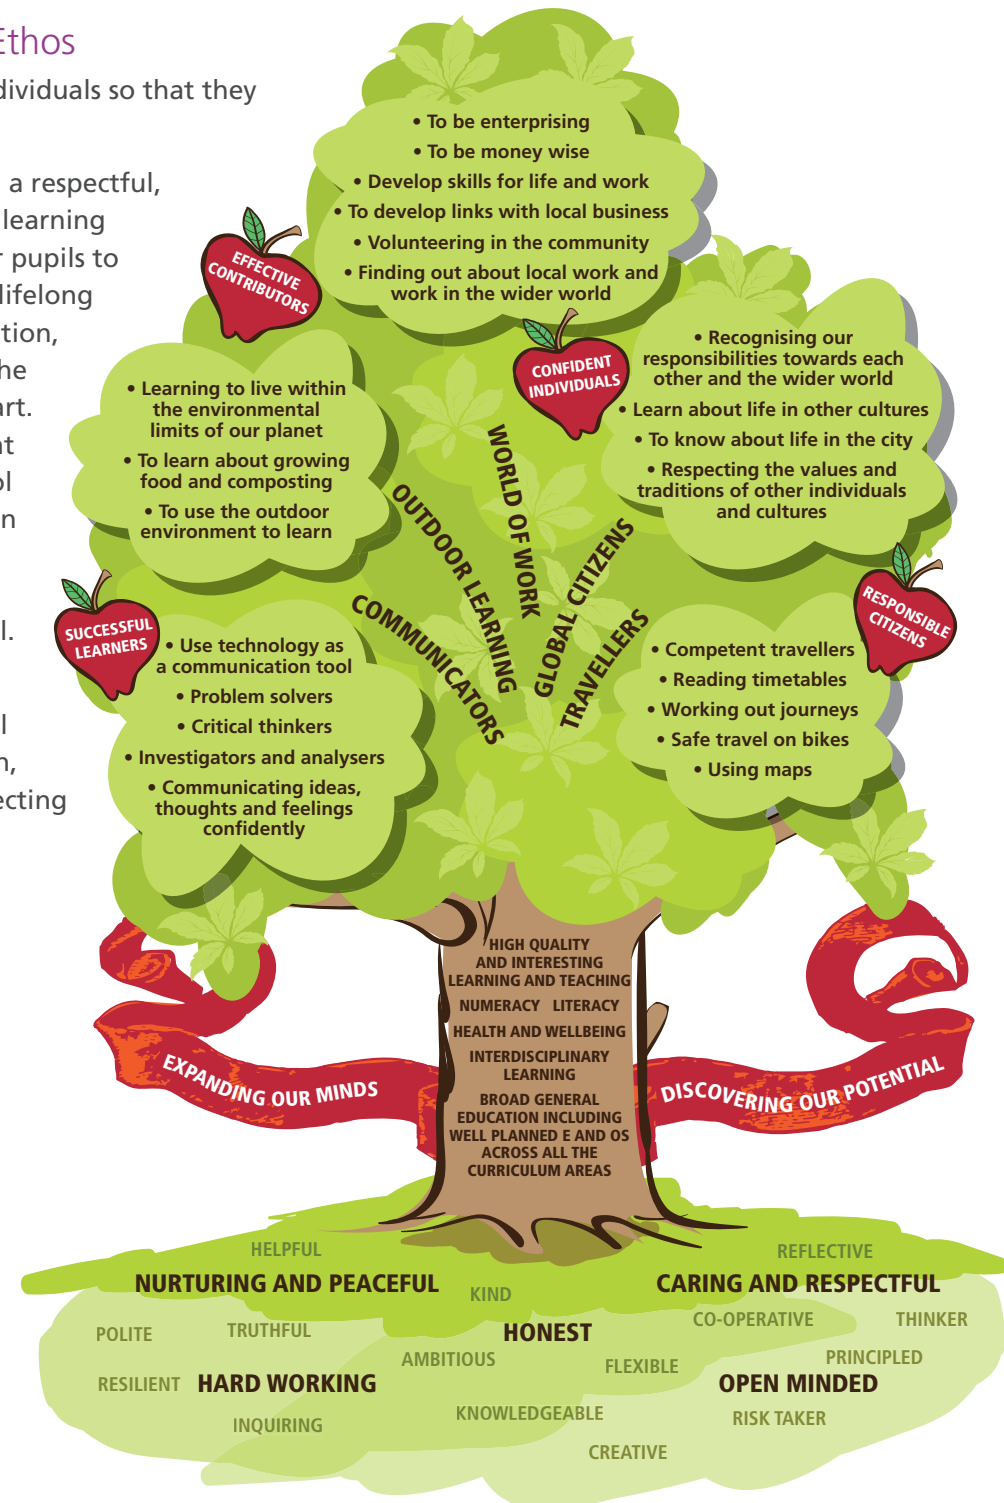

For more links and detailed information about how we support parents and work with our schools, please see our **Authority Handbook**. This also includes a page for financial support for Children and Families.

School Aims, Values and Ethos

Our schools aim to nurture all individuals so that they can fulfil their unique potential.

We are committed to developing a respectful, welcoming, safe and stimulating learning environment that will enable our pupils to become responsible citizens and lifelong learners. We encourage co-operation, care for themselves, others and the wider world of which they are part. Working outdoors is an important part of our curriculum. The school has a large and productive garden and all children have regular opportunities to work outside. Twynholm School is an Eco school.

Twynholm School is a Rights Respecting School and our School Charter, created with the children, reflects our commitment to respecting the rights of every child.

Contact Us

The school welcomes suggestions and enquiries from parents and carers.

If you need to find out something

We can be contacted by e-mail, telephone, group call text messages or face to face. Where it is not possible to resolve enquiries straight away, we will make arrangements to follow up as necessary with the most appropriate member of staff.

Comments, Complaints and Compliments

A comment might be some brief feedback about how we have handled a situation or delivered a service. It is best to pass a comment straight to the school so that we can take any necessary action.

If you are not happy with the response you receive or a decision that has been made, you can 'Ask us to Look Again'. You can do this by contacting ParentalInvolvement@dumgal.gov.uk. At this point an Officer will contact you, discuss the issue and direct your enquiry as appropriate.

Remember you can also access Dumfries & Galloway Have Your Say at www.dumgal.gov.uk/

If you remain dissatisfied, the Education and Learning Directorate operate within the complaints handling procedures for Dumfries and Galloway Council. Information on this can be found at www.dumgal.gov.uk/

How the School Works

Class Organisation

For organisational purposes, schools are structured into classes. Each year it is the responsibility of the Headteacher to organise the class structure.

For more information, on School class sizes and grouping please visit www.dumgal.gov.uk/article/16646/School-class-sizes-and-groupings

The school is currently made up of three classes; P1/2/3/4, P4/5 and P6/7. The maximum number for pupils in a composite class is 25. Classes are arranged as per local authority policy.

For more information please see the [Education Authority Handbook](#)

Positive Behaviour and Celebrating Success

The Rights of the Child form the basis of our positive behaviour policy. The school community writes a charter at the start of every school year based on respecting everyone's rights.

All staff model behaviour which promotes and supports the well-being of all, consequently, an environment of trust exists within the school where children know they will be listened to, and their thoughts and opinions will be respected

To promote positive behaviour all children and staff have a shared understanding of well-being and children's rights and responsibilities. All staff model behaviour which promotes and supports the well-being of all, consequently, an environment of trust exists within the school where children know that they will be listened to, and their thoughts and opinions will be respected. Staff and children work within the framework of GIRFEC (Getting it Right for Every Child) and are familiar with the well-being indicators (Safe, Healthy, Active, Nurtured, Achieving, Respected, Responsible, Included).

The school is aware of the benefits of outdoor education and physical activity to promote both physical and mental well-being. Regular

opportunities exist for the children to work outdoors and take part in a wide variety of physical exercise.

The childrens' success is celebrated in class and in whole school assemblies, including a monthly achievement assembly. Achievements are shared on the school tree in the entrance and through the school Twitter account.

For more information please see page 13 of the [Education Authority Handbook](#)

Attendance

It is your responsibility as parents to ensure that your child/children attend school regularly. For the safety of all children it is important for you to telephone the school office prior to/at the beginning of the absence. Absences are recorded in class registers and frequent or irregular absences not supported by a reasonable excuse, will be notified to parents and the matter may be referred to the Opportunities for All Service. If possible please, try to make dental/medical appointments outwith school hours. However, if this is not possible please inform us in writing or by telephone of the appointment and arrange to collect your child from class.

For more information on Attendance, Absences, Lateness and responsibilities of parents please visit www.dumgal.gov.uk

Absence from School

Pupils who need to leave school during the school day ie doctor /dentist appointments, must be collected by a named contact confirmed with the school office. They must also report to the school office on their return to school.

Curriculum for Excellence

Curriculum for Excellence (CfE), now known as 'Scotland's Curriculum,' is bringing learning to life in the way education is delivered for all 3-18 year olds in nursery, primary, secondary, at college and via workplace or community learning. It aims to respond and adapt flexibly to meet the needs of an ever changing and evolving world and Scotland's place within it. At its heart lies a constant commitment and drive towards excellence and equity, to raise standards, improve knowledge, develop skills for all learners and close the gap between the lowest and highest achievers by ensuring everyone has an equal opportunity to be successful, no matter what their background or circumstances. Ultimately, it aims to nurture children and young people as successful learners, confident individuals, effective contributors and responsible citizens.

Broad General Education

Children and young people work their way through Experiences and Outcomes in each of the five Curriculum Levels (Early, First, Second, Third, Fourth) and in each of the eight Curricular Areas. The five Curricular Levels span pre-school to the end of S3. This is the Broad General Education. Pupils progress at their own pace, working through the Experiences and Outcomes of the most appropriate level for them. Pupils will be supported in collecting evidence of their achievements, with a profile of these being produced in P7 and S3.

CfE also includes Languages, Expressive arts, Religious and moral education, Sciences, Social studies and Technologies. The responsibility for the curriculum offer in your school sits with the Headteacher.

Parental Involvement and Engagement

Parent/Carers and the Parent Council

Every parent who has a child at our school is a member of the Parent Forum. The parent council is a group of parents who have chosen to represent the parent forum. As a member of the Parent Forum, each parent can expect to:

- Receive information about the school and its activities
- Hear about what partnership with parents means in our school
- Be invited to be involved in ways and times that suit you
- Identify issues you want the parent council to work on with the school
- Be asked your opinion by the parent council on issues relating to the school and education it provides
- Work in partnership with staff
- Enjoy taking part in school life in whatever way possible

For more information or support for how you can become involved in or to run your Parent Council please visit www.dumgal.gov.uk/

For more information on what is meant by parental involvement visit www.dumgal.gov.uk/

How is my child doing?

There will be several opportunities for you to discuss your child's progress. This may be through informal discussion with the teacher or at Parents' Nights/ Learning Conversations, formal reports or for some it may be through more formal, focussed meetings with other agencies.

Helping Your Child and Family Learning

The aims and purposes of setting homework are:

- to support and build on classwork
- to make parents aware of the work children are doing in school
- to encourage children to work independently
- to develop perseverance and self-discipline
- to promote good study habits
- to train pupils to plan and organise their time effectively
- to allow preparation for future classwork
- to provide information for parents
- to provide opportunities for individualised work
- to encourage pupils to take responsibility for their own learning
- to create channels for home-school dialogue

Homework is always given out with plenty of time to enable the child to complete the exercise without any pressure. Any child not completing homework at home will be expected to complete the work in their own time at school.

Curriculum evenings, to help parents better understand what their child is being taught, are held every year.

Support for All

Support for Learners

All children receive support at school and nursery to help them learn. 'Additional support for learning' is how we describe any support that is extra or different to the help that most children receive. Most of this additional support is provided by teachers in mainstream classes, focussed on learning and support to be fully involved in school life. For the majority of children and young people this will be delivered in a mainstream classroom supported by their classroom teacher for a few this will mean some additional support alongside the classroom teacher, and for a very few this will be part-time or full-time provision in a school with a learning centre or an inclusion base.

More information is available at www.dumgal.gov.uk and on page 18 of our [Education Authority Handbook](#)

Getting It Right For Every Child (GIRFEC)

You are the expert on your child and what you think matters. Getting it right for every child (GIRFEC) means that the School will always seek to involve you, to listen to your opinions and take them seriously.

More information is available at www.dumgal.gov.uk/girfec and on page 20 of our [Education Authority Handbook](#)

Child Protection

All children have the right to be protected from harm, abuse and neglect. The vision for all children and young people in Dumfries and Galloway is that they should be: safe, healthy, achieving, nurtured, active, respected and responsible and included. Schools and front-line education and child care services will play an important role in ensuring all children and young people are safe and well.

Further information can be found at <http://www.dumgal.gov.uk/article/16640/Support-for-children-and-families>

Parents, carers and pupils have a key role in keeping the school community safe. We would therefore urge parents to share any information which would keep everyone safe, and to support and encourage their child(ren) to do the same.

Enrolment in Schools - School Places

Information on enrolment in school and catchment areas is available at <http://www.dumgal.gov.uk/article/15241/School-places> Information regarding catchment areas can be found on the Council's website by accessing "Find My Nearest".

School Improvements

Each year the school will publish a School Improvement Plan which outlines the key priorities for the school during the year ahead, following engagement with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward. Both the report and the plan are published on the school's web-site and are also available in hard copy, on request. A copy can also be found by searching for your school at www.dumgal.gov.uk/schools

Twynholm and Borgue Partnership School Improvement Plan 2023 -24

A Standards & Quality Report is published each June, providing all stakeholders with a comprehensive summary of the school's work and children's achievements.

Also in June, we publish a School Improvement Plan which outlines the key priorities for the school during the year ahead.

Current priorities include:

- To develop a consistent and progressive approach to the teaching of reading and number
- To improve the knowledge and understanding of inclusive, nurturing practice and the Rights Respecting Schools Agenda
- To improve staff confidence and expertise in the use of digital technology

Health and Safety

Emergency Procedures (including Safer Together Guidance)

If your child feels unwell or have hurt themselves during the school day they must report this to an adult in the school. If we feel that they would be better at home we will telephone you or your emergency contact. Minor accidents, e.g. cuts, bruises, are dealt with by the school staff. Serious accidents are few, but should one occur your child will be immediately taken either to your doctor or to hospital, if necessary, and you or your emergency contact will be notified. We cannot stress enough the importance of supplying the school with the relevant information we require in such a situation, i.e. your own home and work number and a telephone number of an emergency contact. **Please remember that if your child stays in more than one home setting contact details should take account of this.**

Health Care (inc First Aid)

Many children will require their health care needs to be met at sometime within the nursery/school environment, for most children this will be for short periods of time only, but for some children this may require more long-term planning and support. If your child has any health care needs, please contact the school to discuss arrangements. Full details of the support available and your role as a parent and the role of your child are contained within Health Care in Schools 3-18 (NHS and Dumfries and Galloway Council) which is available from the school.

For more information see our [Authority Handbook](#)

Severe Weather and School Closure Arrangements

Headteachers are authorised to make an emergency closure when the state of the weather or any other exceptional circumstance make it necessary in the best interests of the pupils. In these circumstances parents will be communicated with in a variety of ways including text messages/ phone calls and emergency contact arrangements. All school closures will be notified on the Council Website.

www.dumgal.gov.uk/article/15240/Emergency-school-closures

Data Protection

Information on how the Council uses personal data is available at www.dumgal.gov.uk/article/15129/Data-protection and www.dumgal.gov.uk/privacy

ICT in Schools

For more information on ICT in school please see page 14 of the [Education Authority Handbook](#)

Use of the Internet, Social Networking Sites

As part of the process of learning we allow our children supervised access to the Internet and e-mail. The authority runs its own filter system to ensure that young people are not at risk from exposure to inappropriate material. This filtering system is regularly being upgraded. We have a policy for use of the Internet and a contract for responsible use, which we ask parents and young people to sign up to.
